These are stories which seek to connect the meaning of the incarnation to people's everyday experiences surrounding the Christmas season, especially in regard to family life. Surprised by Christmas is an excellent resource for clergy and their congregations, as well as other interested readers of Christmas stories. They may also be used in community organizations and workshops. Readers will be able to identify with many of the situations in these stories and find encouragement in their own celebration of Christmas, even with all the messiness of life.
