

## Introduction to the Constitution of India

By Durga Das Basu

LexisNexis Butterworths Wadhwa Group, Nagpur, India, 2013. Soft cover. Condition: New. Introduction to the Constitution of India provides an in-depth look at the intricacies of the Indian Constitution, the longest written constitution of any sovereign state in the world. The Indian Constitution came into play on January 26, 1950, and has undergone several amendments since its enactment. It has an English version and an official Hindi translation. The original version is handwritten and has beautiful calligraphy. Durga Das Basu has attempted to decipher its individual articles for the benefit of the layman. His book, Introduction to the Constitution of India, aims to take the reader through every detail of the Indian Constitution. The book is divided into eight sections. The sequence of chapters more or less matches the sequence of the corresponding parts in the written Constitution. The first section introduces the Indian Constitution, and delves into its historical background, creation, philosophy, and outstanding features. It acquaints the reader with the Fundamental Rights and Duties, and the Directive Principles of State Policy as written in the Constitution. It also covers the possibilities and procedures of amendment. The remaining sections include information about the government of the Union, the government of...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Ally Reichel

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
